

# EPSON<sup>®</sup> OmniLink<sup>®</sup> TM-T88VII Single-station Thermal Receipt Printer

Receipt Printer

POS

## The fastest POS receipt printer<sup>1</sup> with advanced connectivity and online ordering capability.

**Ultra fast transaction times** — industry-leading print speeds up to 500 mm/sec<sup>1</sup> and high-speed auto cutter

**Reliability you can count on** — 4-year limited warranty; easy-to-clean, water-resistant enclosure; long printhead and auto cutter life<sup>2</sup>

**Connect to multiple devices simultaneously** — using multiple interfaces, printer can be dynamically shared by PC-POS terminals, tablets and mobile devices as well as cloud servers

**Multi-interface support** — built-in USB and Ethernet, optional serial, powered USB, parallel and wireless connectivity ensure maximum flexibility and futureproofing

**Secure wireless connection** — supports the latest Wi-Fi<sup>®</sup> security standard (WPA3)

**Online ordering ready** — Server Direct Print technology allows the printer to retrieve orders from a web server and print a receipt without requiring POS software integration

**POS peripheral support** — supports POS peripherals including barcode scanners, customer displays, and more

**Easy setup and configuration** — streamline the setup and replacement processes using Epson TM Utility; vertical mounting kit provides flexible configuration options

**Easy to understand** — status LEDs and network diagnostic sheet improve on-site network troubleshooting

**Advanced paper-saving functions** — top-margin and character-height reduction features help reduce paper usage by up to 49 percent<sup>3</sup>
